Cause of Lock-Jaw.

Lockjaw or tetanus, is caused by a bacillus or germ which exists plentifully in street dirt. It is inactive so long as exposed to the air, but when carried beneath the skin, as in the wounds caused by percussion caps or by rusty nails, and when the air is excluded the germ is roused to activity and produces the most virulent poison known. These germs may be destroyed and all danger of lock-jaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is antiseptic and causes cuts, bruises and like injuries to heal without maturation and in one-third the time required by the usual treatment. It is for sale by F. J. Ramsey, Ardmore Drug Co., and W. B. Frame.

FOX.

Special Correspondence.

Fox, I. T., Oct. 24.—As we hardly ever see anything from our little town we will step in for a few moments to visit the St. Louis Exposition, and chat.

We are having quite cool weather for this season of the year. We had ice the morning of the 20th.

Mrs. R. J. Stanton will leave tomorrow for the Choctaw Nation.

Our merchants are doing a good business.

One hundred cotton pickers could be used at this place.

Farmers are looking blue over the downfall in cotton.

Everybody is contemplating having a nice time at the supper Saturday night, to be given by the C. M. A.

Many Mothers of a Like Opinion.

Mrs. Pilmer of Cordova, Iowa, says: One of my children was subject to cramps of a serious type, and the giving of Chamberlain's Cough Remedy promptly always brought relief. You Can Be Cured.

No. 21 Cedar Terrace,
HOBOKEN, N. J., April 26, 1898.

When I was first married I found that my strength and health were gradually diminishing. I became nervous and irritable, and was in bed a week and sometimes ten days of every month, and had intense bearing down pains.

My husband had the best physician for me and I used his medicine for nearly four months, but I gradually grew worse, lost strength, and finally, I was unable to leave my bed at all.

A friend who was calling on me brought me a bottle of Wine of Cardui and was so loud in its praise that I told her that would take it, please.

I took a spoonful and passed the bottle before I had used the bottle I really felt better, so I kept on using it. Eight bottles brought back my lost health and strength, and I have not had a sick day in six months.

TESCHER, ST. ANDREW'S SOCIETY.

WINE OF CARDUI

Mrs. Finnegan had little hope of relief because she knew that every time she had those spells of menstrual suffering with attendant bearing down pains she was weaker. And every month the pain was growing more severe.

But Mrs. Finnegan was cured by Wine of Cardui. She is now as well that there are few women who would not be glad to have the health she has. And any woman who has those dreaded bearing down pains can have the same relief.

You can be free from menstrual irregularities if you take this pure vegetable wine. Why don't you take it when you see what it has done for others? Secure a bottle of Wine of Cardui today.

Your druggist has \$1.00 bottles.
